# WELCOME TO OUR 24/7 SUPPORTED ACCOMMODATION SERVICE

At Impact Project Solutions We offer high-quality, Ofsted-registered semi-independent accommodation for young people aged 16–25.

Our aim is to create a safe, comfortable, and supportive environment where individuals can build life skills, gain confidence, and move towards full independence.

We offer solo placements, shared accommodations, and private en-suite accommodation. Our services include 24-hour supported living and flexible support living units for young people who need care and assistance, all provided through a person-centred approach.

# WHO WE SUPPORT?

We provide supported accommodation tailored to the needs of the following groups, ensuring they feel safe, supported, and comfortable in our care:

- Young people from LAC (Looked After Children) backgrounds
- Care Leavers aged 16–25
- Unaccompanied Asylum Seekers
- Young people facing drug & alcohol challenges
- Individuals from dysfunctional or unstable homes

*Our warm, structured setting promotes independence, stability, and personal growth.*

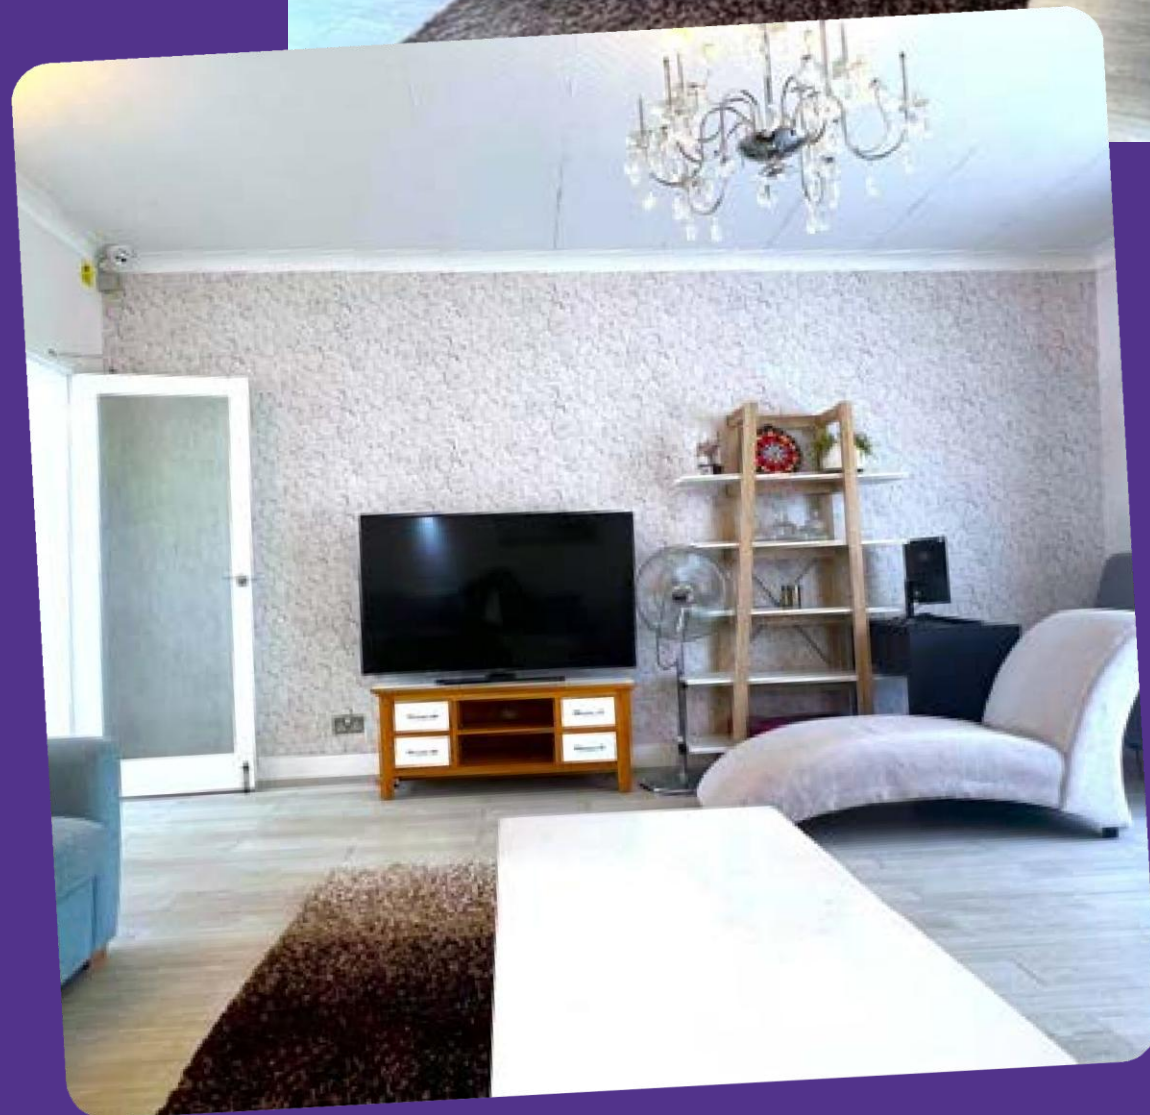

***Take a tour of our accommodation on the next slide***

## A WELCOMING SPACE TO RELAX & CONNECT

Our bright hallway leads into a thoughtfully designed living room, complete with modern furniture, a TV, and a warm, welcoming atmosphere an ideal space for young people to relax, connect, and feel at home.

# FULLY EQUIPPED KITCHEN FOR INDEPENDENT LIVING

The kitchen is spacious and well-equipped with all essential appliances, allowing residents to prepare meals independently or with support. It encourages life skills development in a safe, clean, and practical environment.

## PRIVATE, COMFORTABLE & SECURE BEDROOMS

A bright and welcoming space with a single bed, wardrobe, study desk, and calming décor

Comfortably furnished with storage, work space, and soft lighting to create a cosy setting where young people can feel at home.

Spacious and thoughtfully arranged, this room offers a private retreat with essential furnishings to support independence and relaxation.

## PRIVATE EN-SUITE ACCOMMODATION

A fully private living space that includes a comfortable bedroom, modern en-suite bathroom, and a compact kitchenette. This unit is ideal for young people who are transitioning towards full independence, offering privacy while still being part of a supportive environment.

# BATHROOM AND TOILETS

Our bathrooms and toilets are regularly cleaned and well-maintained to ensure a hygienic and comfortable environment for all residents.

## RELAX & RECHARGE OUTDOORS

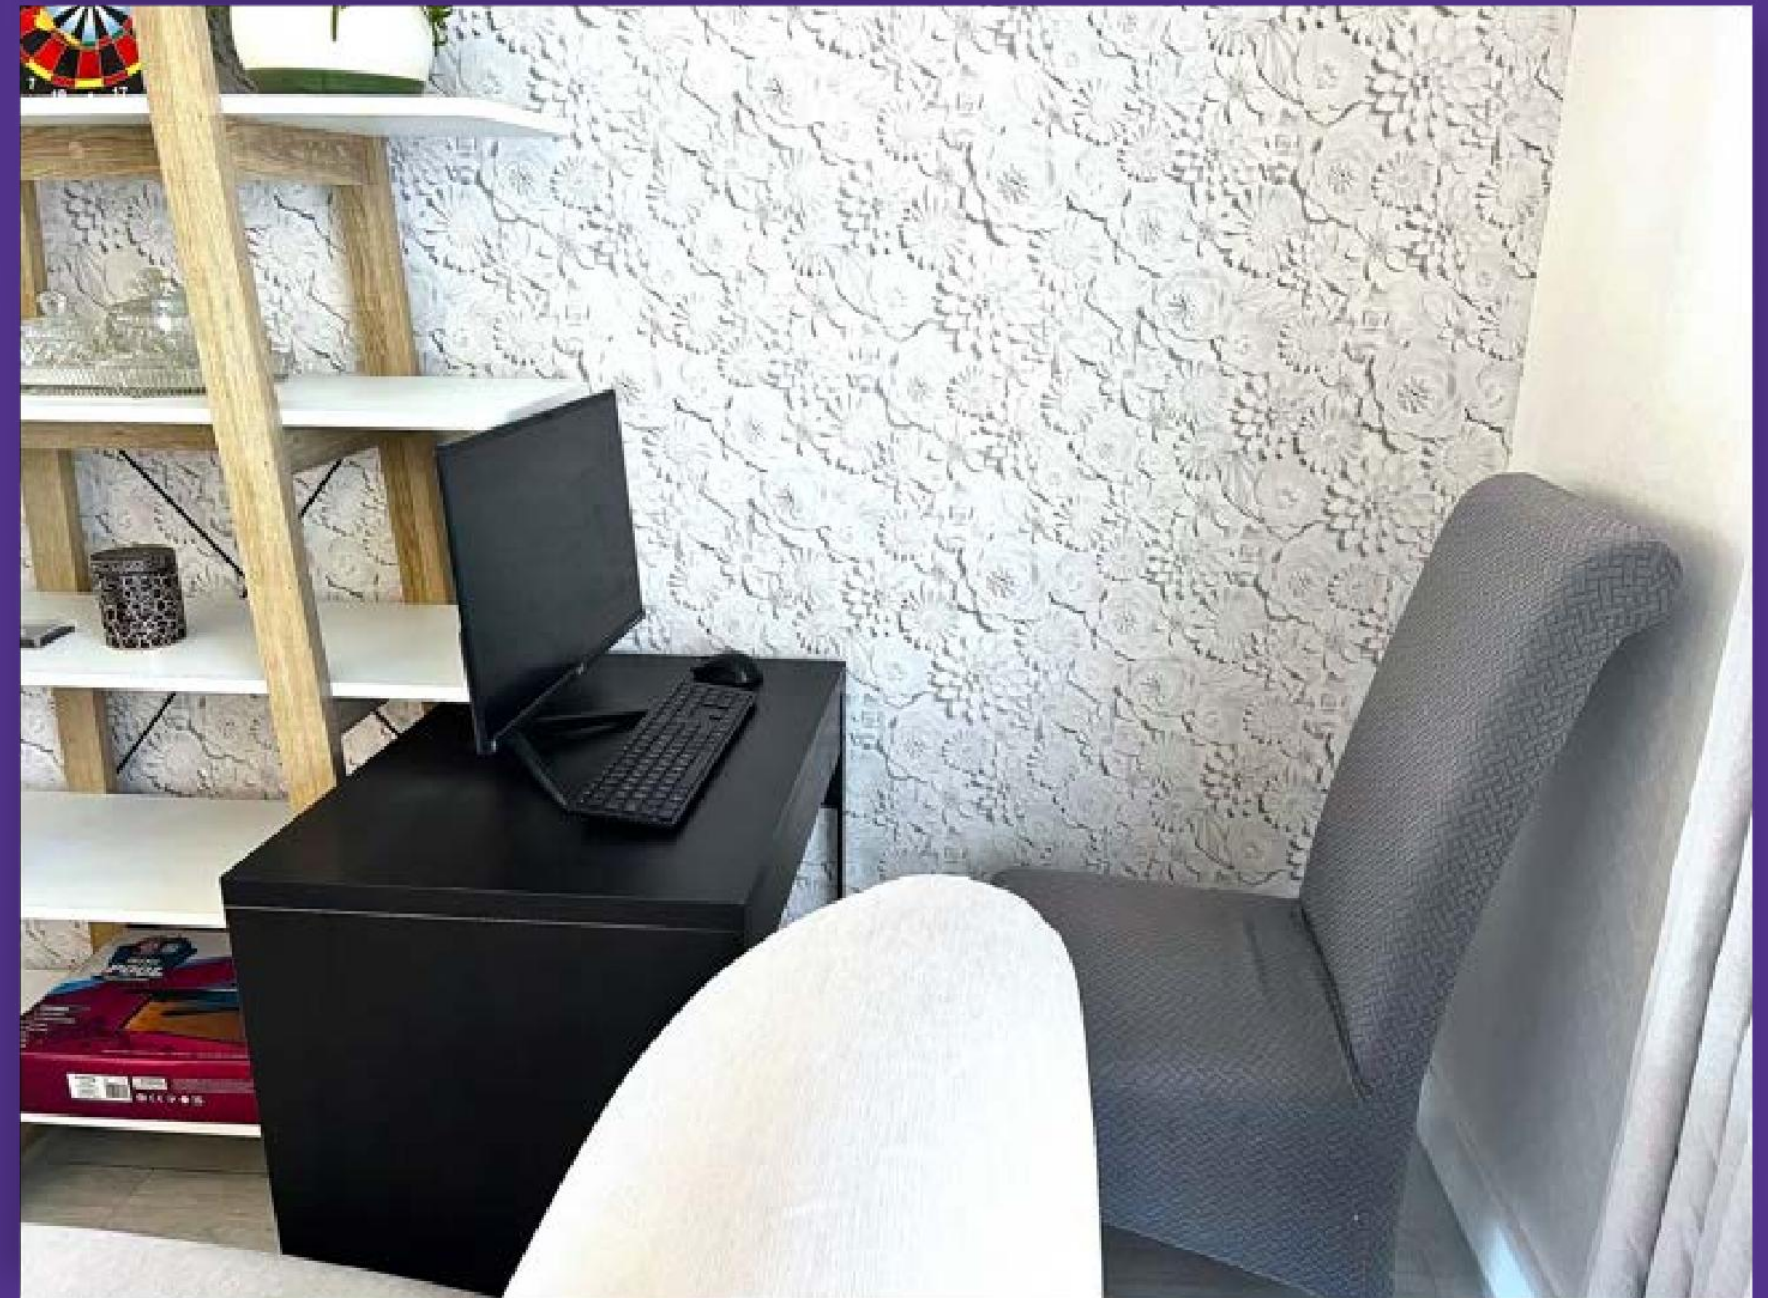

Our private garden is a safe and welcoming outdoor retreat, complete with benches, greenery, and open space for light activities. It is the perfect spot for young people to unwind, enjoy fresh air, or connect with others in a calm and natural setting.

## STAY CONNECTED & IN CONTROL

Our residents have access to a dedicated computer station with internet, providing a space for job searches, school work, communication, and personal development.

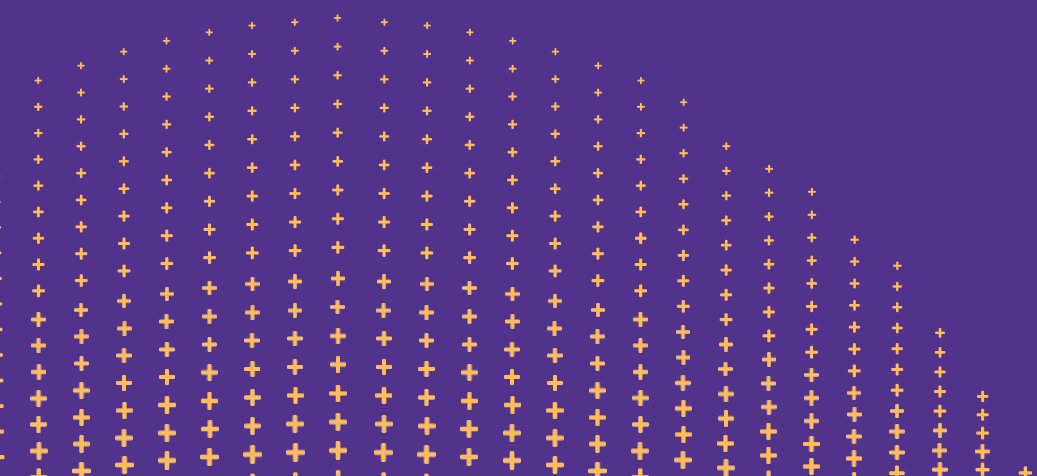

# WHY CHOOSE US?

We are proudly **Ofsted-registered**, meeting the highest standards for safety, care, and support in young people's accommodation.

Our services are staffed with experienced support workers who have completed the Common Induction Standards program, ensuring they provide safe, high-quality care to all our young people.

Our Philosophy of Care focuses on the individual, central to our service planning and delivery. We uphold core values that underpin our services, ensuring young people feel restful and rejuvenated.
